(TSX: DIV, DIV.DB.A and DIV.DB.B) (the “Corporation” or “DIV”) is pleased to announce that it has closed its previously announced bought deal public offering of an additional \$9,000,000 aggregate principal amount of 5.75% convertible unsecured subordinated debentures (the “Debentures”) at a price of \$1,000 per Debenture, pursuant to the exercise in full of the over-allotment option (the “Over-Allotment Option”) granted to the underwriters in respect of the Corporation’s recently completed \$60,000,000 aggregate principal amount of Debentures (the “Offering”). The full exercise of the Over-Allotment Option increased the total gross proceeds of the Offering to \$69,000,000.

The net proceeds of the Offering, including from the exercise of the Over-Allotment Option, are intended to be used to repay outstanding amounts under the Corporation’s acquisition facility, to fund expected additions to the royalty pools of certain of the Corporation’s royalty partners, and for working capital and general corporate purposes. The repayment of indebtedness under the Corporation’s acquisition facility will thereby increase the amount available to be drawn under the acquisition facility to fund future acquisitions.
